JEWELS

Our jewels are first quality, hand polished jewels made in Germany. Jewels are made by pressing molten glass in a mold. Each facet is later hand polished and the bottom of each jewels is ground flat. The extensive variety of shapes and colors allow for a choice selection in designing and can add that extra touch of brilliance to your windows. All jewels are sold by the dozen except #25, 53, 80, 81, 82 which are sold by the piece.

Jewels are available in the following colors: Clear (CLE), Red (RED), Orange (ORA), Light Topaz (LTO) Dark Topaz (DTO), Aqua (AQU), Sapphire (SAP), Amethyst (AME), Rose (ROS), Opal (OPA), Streaky (STR), Green (GRE), Yellow (YEL), Smoke Gray (SGR), Blue Purple (BLUPUR), Seafoam (SEA) Turquoise (TUR), except where noted.

Jewel seconds are available in 1 kg (2.2 lb.) bags. All bags contain assorted jewels. Contents can not be specified. Seconds are second quality jewels (small chips, scratches, off-colors, etc.). JE-MIX 2 & 3 contain (1 dozen individually wrapped x10 & 20 respectively) assorted first quality jewels. Contents can not be specified.
